The Lair

Published By The Students
of

Nixon High School

Nixon, Texas

1970

Foreword

Between the covers of the 1970 Lair, we, the annual staff, have compiled a complete record in pictures of all the fun and happenings of the 1969-70 school year. We sincerely hope this annual will catch and preserve the spirit and memories of the past year and will be a cherished possession for many years to come.

Dedication

He is a man of great integrity and character; he is one who is enthusiastic and optimistic; he wears a smile while others wear a frown.

He encourages all to do their best and gives us a word of praise when it is needed most. Mere words cannot express our gratitude for the sacrificing of his leisure time to help his students.

Any member of the faculty or student body of NHS knows where to go for sympathetic aid and sound advice.

We dedicate our 1970 Lair as a token of our respect, admiration, and love to Mr. Nathan E. Wheat.

Superintendent's Message

Dear Students:

Senior Trip

Here we are—thirty brand new graduates, the Senior class of 1970. Along with our sponsors, Mr. Millington and Mr. and Mrs. Wheat, we gathered excitedly at the Eat Mor to depart on a trip which was to prove very exciting.

Nashville, Tennessee, our first stop, held the Grand Ole Opry, the Hall of Fame, and Andrew Jackson's home. Then on to Atlanta, Georgia, where the class viewed the Cyclorama and Stone Mountain. At last to New Orleans, Louisiana, one of the most exciting cities in the United States! We explored the city on a Grayline Tour and visited many of the French Quarter's night spots, especially Pat O'Brien's, and ate at French restaurants.

It was a week of adventure and fun, and it was surely worth the four long years of work!
